Dear Ms. Walli:

**Re: Union Gas Limited
April 1, 2015 QRAM Application
Board File No. EB-2015-0035**

I am writing on behalf of OEB staff in regard to the above noted QRAM matter.

OEB staff has the following questions:

1. Ref: Tab 2 / Pages 1-2 & Working Papers / Schedule 4 / Page 1

Union noted that the National Energy Board (NEB) approved interim changes in the tolls TCPL charges for firm transportation services on the Mainline to recover abandonment charges. Union noted that abandonment charges were also reflected in toll changes for Centra Transmission Holdings Inc. (CTHI) and Centra Pipelines Minnesota Inc. (CPMI).

- (i) Please provide the approved toll schedules which support the tolls listed in Column "h" of the Working Papers, Schedule 4, Page 1.
- (ii) Please confirm that if the NEB approves final tolls that are different from the interim tolls included in this application, Union will capture the resulting variance in the relevant deferral accounts for future disposition.
