Dear Ms Walli:

Re: EB-2015-0029 and EB-2015-0049 – Enbridge and Union DSM Plans

I write on behalf of GEC to endorse the comments made by Mr. Shepherd in his March 12th letter to the Board. We agree that the risk of a delay to accommodate Enbridge's more rigorous consultation process is a sound investment. We also agree that a combined hearing is highly desirable for the reasons that Mr. Shepherd outlined. GEC does expect that it will be calling evidence in these cases and a combined process would avoid duplicated effort.

Sincerely,

A handwritten signature in black ink, appearing to read "David Poch". The signature is fluid and cursive, with the first name "David" and the last name "Poch" clearly distinguishable.
