Dear Ms. Innis:

**Re: Union Gas Limited
Multi-Year DSM Plan
Board File No. EB-2015-0029**

The Board has received your letter of March 6, 2015 indicating that Union Gas intends to file its 2015-2020 DSM Plan by April 1, 2015. The Board is pleased that Union Gas plans to file its 2015-2020 DSM Plan by the date established by the Board.

Union Gas also requested that the Board bifurcate the multi-year DSM plan applications for Union Gas and Enbridge. The Board's expectations for a combined proceeding, as expressed within the Demand Side Management Framework for Natural Gas Distributors (2015-2020), have not changed. The Board panel for the application will make the final determination on procedural steps for the hearing.

Yours Truly,
