**Re: Hydro One Inc. / Woodstock Hydro Services Inc.
OEB File Number EB-2014-0213**

The Board has determined that it is necessary to appoint an additional Panel member for the purpose of adjudicating the application and making a determination on the request by the School Energy Coalition (SEC) for the production of specific documents in the possession of Woodstock Hydro Services Inc. (Woodstock Hydro). By way of background, SEC filed a letter on January 6th requesting production of certain documents (the Documents) and Hydro One Inc. (Hydro One) responded objecting to SEC's requests on January 7th.

An oral hearing was held on January 15, 2015. During the hearing, SEC raised its request for the Documents and Hydro One objected. The Panel ordered that the Documents be produced on a confidential basis to the Panel for its review. No decision as to the status of the Documents has been made to date.

Cathy Spoel has now been appointed to the Panel and will be reviewing the pre-filed evidence, the interrogatories and responses and the transcript of the oral hearing. For the purpose of the request for production of the Documents, the Board asks that Woodstock Hydro provide its consent so that the presiding member Ms. Long can supply Ms. Spoel with the Documents in order that the request for production can be considered by all three members of the Panel.

Yours truly,
