NOTICE OF APPLICATION AND WRITTEN HEARING

Hudson Energy Canada Corp.

Applications for Gas Marketer and Electricity Retailer Licences

The Applications

Hudson Energy Canada Corp. filed separate applications dated March 11, 2015 with the Ontario Energy Board (the "OEB") under section 50 and section 60 of the *Ontario Energy Board Act, 1998*, (the "Act") for a Gas Marketer and Electricity Retailer licence, respectively. The granting of these licences would enable the applicant to market natural gas and retail electricity in Ontario.

The applications will be decided by an employee of the OEB who has been delegated this authority pursuant to section 6 of the Act. The OEB does not intend to provide for an award of costs when deciding the applications.

How to see the Applications

To see a copy of the applications, go to the Consumer page of the OEB's website and enter the case number EB-2015-0124 and/or EB-2015-0125 in the "Find an Application" box. A copy can also be seen at the OEB's office and at Hudson Energy Canada Corp.'s office at the address indicated below.

How to Participate

Interested persons may participate in the Board's hearing of the applications by following the steps set out in this notice.

Oral vs. Written Hearings

There are two types of OEB hearings – oral and written. The OEB intends to proceed with these applications by way of a written hearing. If you think an oral hearing is

needed, you can write to the OEB to explain why. Your submission must be received by the OEB and copied to Hudson Energy Canada Corp. by **April 16, 2015**.

Interrogatories

If you wish to obtain information from the applicant that is in addition to the application materials already filed with the OEB (i.e. the “pre-filed evidence”) and that is relevant to the hearing, you must request it by written interrogatories filed with the OEB, and delivered to the applicant, on or before **April 24, 2015**. Please ensure that each interrogatory request includes a reference to the relevant page or item in the pre-filed evidence.

The applicant shall file complete responses to each interrogatory with the OEB, and deliver them to all interested parties in the proceeding, no later than **May 8, 2015**.

Written Submissions

You may express your views on the applications by filing a written submission with the OEB. Your submission must be received by the OEB and copied to Hudson Energy Canada Corp. by **May 22, 2015**.

If Hudson Energy Canada Corp. wishes to respond to any submissions, its reply shall be made in writing, and filed with the OEB and copied to any party who made a written submission by **June 5, 2015**.

All written submissions sent to the OEB will be placed on the public record, which means that the written submissions will be available for viewing at the OEB's offices and will be placed on the OEB's website. If the written submission is from a private citizen, the OEB will remove any personal (i.e., not business) contact information from the written submission (e.g., the address, phone number, and e-mail address of the individual), before placing the written submission on the public record. However, the name of the individual and the content of the written submission will become part of the public record.

As stated elsewhere in this notice, you must provide a complete copy of your written submission (including your name, contact information, and everything written in the submission) to the applicant.

How to File Documents with the Board

All written submissions filed with the OEB must quote file number EB-2015-0124 and EB-2015-0125 and clearly state the sender's name, postal address, telephone number and email address. You must forward two paper copies and, if possible, an electronic copy in Word format and in searchable PDF format, of your written submission to the OEB and one copy to the applicant. All written submissions to the OEB should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.
