Attention: Ms. K. Walli, Board Secretary

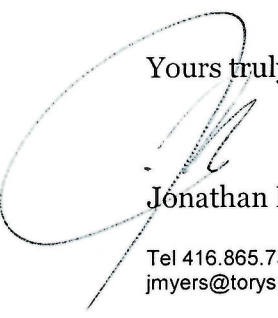

Dear Ms. Walli:

**Re: Windlectric Inc. - Application for Leave to Construct Transmission Facilities  
(EB-2014-0300)**

We are counsel to Windlectric Inc. ("Windlectric") in respect of its application for leave to construct transmission facilities (EB-2014-0300). We are writing to request an extension for filing reply submissions to April 10, 2015.

In accordance with Procedural Order No. 3 issued on February 24, 2015, Windlectric's reply submissions are due on or before April 3, 2015, which is a statutory holiday. Moreover, Board staff filed supplemental submissions late in the day on March 31, 2015. In those supplemental submissions, Board staff indicate that based on the holiday and its additional submissions staff would not object to the Board granting an extension to Windlectric's deadline for filing reply submissions to April 8, 2015. Windlectric's intention would be to work towards filing the reply submission as soon as possible, however due to counsel's previously scheduled travel for business purposes on April 7, 2015, additional time beyond April 8 may be required.

Yours truly,

Jonathan Myers
