Dear Ms Walli

Re:	Hydro One Networks Inc. ("Hydro One") 2015 to 2019 Distribution Application
Board File #:	EB-2013-0416

I am writing with respect to the comments on the Draft Rate Order ("DRO") which are to be filed on Monday, April 6, 2015.

We are still awaiting additional information to be provided by Hydro One arising out of the Technical Conference which occurred yesterday, April 1, 2015. We believe that this additional information, which we expect shortly, will assist our assessment of the DRO – and ultimately assist the Board.

The challenge that we face is that because of the Easter holiday, our offices are closed on Monday, April 6, 2015. In light of the fact that we are waiting for additional information from Hydro One, and that our offices are closed for Easter Monday, we request a one day extension to file our comments on the DRO until Tuesday, April 7, 2015.

We note that Hydro One has asked that it be provided until Tuesday, April 7, 2015, to respond to the letters filed by the "cable parties" seeking that the Board grant leave to bring a motion to review and vary the Decision in this proceeding which underlies the DRO. The timeframe we are requesting is identical to the time requested by Hydro One.

Yours very truly
