**Re: EB-2014-0276 - Enbridge Gas Distribution Inc. ("Enbridge")
2015 Rate Application – Year 2 of 5 Year Custom IR Plan**

We wish to inform the Board, that while the Settlement Proposal for this proceeding (Exhibit N1, T1, S1) filed on March 13, 2015, identified a remaining unsettled issue in relation to Enbridge's 2015 gas supply plan, parties supporting the Settlement have continued to communicate and are hopeful of an agreement resolving the unsettled issue such that an amended Settlement Proposal would be filed with the Board by Friday April 10th.

Additionally, within Procedural Order No. 5, the Board required Enbridge to file, by April 6, 2015, a list of witnesses for the Settlement Proposal presentation and the Unsettled Issue hearing, scheduled for April 13 & 14, 2015. Enbridge plans to provide the following witnesses.

Supporting the Settlement Proposal;

- Jamie LeBlanc, Director Energy Supply & Policy
- Anton Kacicnik, Senior Manager Rate Research & Design
- Kevin Culbert, Senior Manager Regulatory Policy & Strategy

Supporting the Unsettled Issue (where required);

- Jamie LeBlanc, Director Energy Supply & Policy
- Andrew Welburn, Manager Gas Supply & Strategy
