Attention: Mr. John Pickernell, Applications Administration

Dear Mr. Pickernell:

**Re: Hydro One Networks Inc. Distribution
2015 – 2019 5 Year Custom Rate Application
Board File Number EB-2013-0416
OEB Staff Comments on the draft Rate Order**

The Ontario Energy Board issued its decision in this proceeding on March 12, 2015. As directed, Hydro One filed its draft Rate Order on March 25, 2015 and presented it to parties during a technical conference on April 1, 2015.

On April 2, 2015 Hydro One filed additional draft Rate Order information, including a revised foregone revenue calculation, a revised bill impact summary including the foregone revenue rate rider, the cost allocation model input sheets (I6.1, I6.2 and I8) used to derive the draft Rate Order and the requested reconciliation of the IR Exhibit I, Tab 7.01 and Schedule 8, FOCA 6.

After reviewing Hydro One's draft Rate Order as submitted, taking part in the draft Rate Order technical conference and reviewing the additional information filed on April 2, 2015, OEB staff have no further comments on the draft Rate Order and are satisfied that the Rate Order as filed appropriately reflects the OEB's March 12, 2015 decision.

Yours truly,
