Dear Mr. Myers:

**Re: Windlectric Inc.  
Application for Leave to Construct Transmission Facilities  
Board File Number EB-2014-0300**

The OEB has received your letter dated April 2, 2015 requesting an extension of time to file reply submissions. The OEB has considered the reasons for the request as set out in your letter and decided to grant the requested extension. Windlectric shall file its reply submissions and copy them to all parties on or before April 10, 2015.

The OEB reminds Windlectric that it requested in its letter dated March 9, 2015 that the company provide certain clarifications relative to the System Impact Assessment (SIA) report and the Customer Impact Assessment (CIA) report. To date the OEB has not received this information. Please be informed that the OEB will not render a decision in this proceeding until Windlectric has provided the requested information.

Yours truly,
