Dear Ms. Walli,

RE: Pembina Infrastructure and Logistics LP

- **Application for a permit to drill hydrocarbon injection/withdrawal wells and to expand its storage capacity in salt solution mined caverns in its Corunna Storage Terminal, located in the Township of St. Clair in Lambton County, within 1.6 kilometres of the Moore 3-21-XII natural gas storage pool operated by Enbridge Gas Distribution Inc.**
- **Board File Number: EB-2015-0032**

Dear Madam,

I am writing to request that the Ministry of Natural Resources and Forestry ("MNRF") be granted intervener status in the above-noted matter.

MNRF regulates storage wells and the licences associated with the well licences under the *Oil, Gas and Salt Resources Act*, O.Reg. 245/97 made under that Act, and the Operating Standards. MNRF therefore has a keen interest in the

integrity of storage operations. As an intervener, MNRF can offer technical expertise to assist the Board in its assessment of the application.

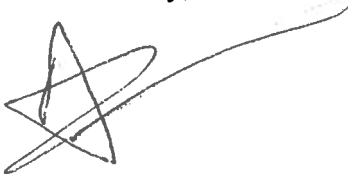

MNRF requests one copy of the evidence and submissions of the Applicant and other participants, and any notices or correspondence, including any amendment documents.

Communication regarding this application may be directed to:
