Dear Ms Walli

Re:	Union Gas Limited ("Union") Burlington Oakville Pipeline Project
Board File #:	EB-2014-0182

We are writing on behalf of Canadian Manufacturers & Exporters ("CME").

We have reviewed the motion filed by the Ontario Greenhouse Vegetable Growers ("OGVG") filed with the Board on April 4, 2015. We support the relief sought by OGVG.

In particular, we agree that a Technical Conference would assist in obtaining the further information needed to enable intervenors and their advisers to evaluate whether, with better consultation and cooperation between Union, Enbridge Gas Distribution Inc. ("EGD"), and TransCanada PipeLines Limited ("TCPL"), the use of existing infrastructure can provide, at this time, a more cost-effective alternative to the construction of the proposed pipeline.

Yours very truly
