Dear Ms. Walli:

Board File No. EB-2014-0012
Union Gas Limited – Hagar Liquefaction Service Rate
Energy Probe – Costs Submission

Pursuant to the Decision With Reasons, issued April 9, 2015, attached please find the Costs Submission of Energy Probe Research Foundation (Energy Probe) in the EB-2014-0012 proceeding for the consideration of the Board.

Please note that Energy Probe has included 6.5 hours each in its Costs for the Attendance of Dr. Higgin and Shelley Grice during Day One of the Oral Hearing on November 24, 2014. In this proceeding, Dr. Higgin was the lead consultant and it was anticipated that he would act as lead in cross examination. However, during the course of preparation, Dr. Higgin was called to preform jury duty and it appeared that Ms. Grice would be required to conduct cross for all Hearing areas.

On the afternoon of November 19th Dr. Higgin was released from jury duty. It was decided that the best approach for Day One would be for Ms. Grice to cross the Northeast Midstream Panel, Dr. Higgin to cross Union Panel 1 and later in the day, he would provide the Energy Probe submission, assisted by Ms. Grice. As recorded in the Day One transcript, the Board Panel permitted this approach to proceed smoothly. Dr. Higgin and Ms. Grice were assisting each other throughout Day One, thus requiring both to be at the Hearing throughout the day.

On Day Two of the Hearing, November 27th, their contributions were separate and the Costs Submission accounts for that with separated Attendance times. Only Dr. Higgin attended Day Three of the Hearing on December 2, 2014.

Should you require additional information, please do not hesitate to contact me.
