**Re: Follow-up and finalization of Reply Submissions.**

On February 11th, 2015, Canadian Energy Protection Corp. ("CEPC") filed and served a Confidential 5 page Reply Submission, plus Cover Letter, and Non-Confidential Summary letter (7 pages total).

The documents were sent as PDF on February 11th, and 2 physical copies were delivered to the Board on February 12th, 2015.

Kindly note that CEPC has no further Reply Submissions to make with respects to the above referenced GM and ER Licence Applications.

If there are any issues with the above information or receipt of documents please don't hesitate to contact me further. Thanks.

Best Regards,
