Dear Ms. Walli:

RE: EB-2015-0117 – Natural Gas Conservation Potential Study Consultation Process

In a letter dated April 7, 2015, the Ontario Energy Board (“Board”) outlined the approach the Board will use to coordinate and oversee the Natural Gas Conservation Potential Study. In this letter, the Board requested nominations for participants in the formation of a DSM Technical Working Group. The Board noted the DSM Technical Working Group will include representatives from each natural gas utility.

Union Gas Limited will be represented by Tracey Brooks. Her contact information is listed below.
