Dear Ms Walli

Union Gas Limited
Application for Invoice Vendor Adjustment ("IVA")
Board File No.: EB-2007-0599

We are submitting this letter on behalf of our client, the Industrial Gas Users Association ("IGUA"), in response to an Application by Union Gas Limited ("Union") dated April 3, 2007.

1. IGUA applies for intervenor status in these proceedings.
2. IGUA is an association composed of industrial users of substantial quantities of gas distributed by Ontario gas distributors. IGUA members currently consume 144 Bcf of gas per annum, of which approximately 80 Bcf is consumed in Ontario. The members of IGUA are vitally concerned with the supply and price of gas and all other matters directly or indirectly affecting supply and prices. IGUA has appeared in previous proceedings before this Board involving Union.
3. The members of IGUA, which carry out their industrial undertakings in the Province of Manitoba, Ontario and Québec, are listed in Schedule "A" hereto.
4. IGUA intends to consider and address all of the issues which the Board eventually lists for determination in these proceedings.
5. IGUA intends to seek an award of costs from Union with respect to its participation in these proceedings on the grounds of its long standing status as an intervenor determined by the Board to be eligible for an award of costs.
