

EB-2015-0120

Union Gas Limited

**Application for leave to construct three natural gas
pipelines to serve a mine site and the City of Greater
Sudbury.**

**PROCEDURAL ORDER NO. 1
April 24, 2015**

Union Gas Limited (Union) filed an application with the Ontario Energy Board (OEB) on March 11, 2015 for approval to construct three separate natural gas pipelines each approximately two kilometers in length to serve a new mine site and to meet the growing demands for natural gas in the City of Greater Sudbury. The application was made under section 90 of the *Ontario Energy Board Act, 1998*.

The total capital cost of the proposed facilities is estimated to be \$10.8 million. The pipeline to the mine site involves a capital contribution from the mining company.

A Notice was issued on April 1, 2015 and was served and published as directed.

Energy Probe Research Foundation (Energy Probe) and Industrial Gas Users Association (IGUA) applied for intervenor status and cost eligibility.

I hereby grant intervenor status to Energy Probe and IGUA and find that they are eligible to apply for an award of costs under the OEB's *Practice Direction on Cost Awards*.

The purpose of this procedural order is to set out the schedule for this hearing.

I consider it necessary to make provision for the following matters related to this proceeding. The Board may issue further procedural orders from time to time.

IT IS THEREFORE ORDERED THAT:

1. The intervenors in this proceeding are listed in Appendix "A".
2. OEB staff and intervenors that require information and material from Union that is in addition to Union's evidence and that is relevant to the hearing, shall request it by written interrogatories filed with the OEB and delivered to Union and the intervenors by **May 12, 2015**.
3. Union shall file with the OEB complete responses to the interrogatories and deliver them to the intervenors by **May 27, 2015**.

All filings to the OEB must quote the file number, EB-2015-0120 and be made electronically in searchable / unrestricted PDF format through the OEB's web portal at <https://www.pes.ontarioenergyboard.ca/eservice/>. Two paper copies must also be filed. Filings must clearly state the sender's name, postal address and telephone number, fax number and e-mail address. Parties must use the document naming conventions and document submission standards outlined in the RESS Document Guideline found at <http://www.ontarioenergyboard.ca/OEB/Industry>. If the web portal is not available parties may email their documents to the address below. Those who do not have internet access are required to submit all filings on a CD in PDF format, along with two paper copies. Those who do not have computer access are required to file 7 paper copies.

All communications should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.
