**Re: Commodity Pricing, Load Balancing and Cost Allocation Methodologies for
Natural Gas Distributors EB-2008-0106**

Dear Ms. Walli,

I am contacting you to register Direct Energy Marketing Limited's (DEML) interest in participating as an intervenor in the proposed consultation process to determine the methodology to be used by natural gas distributors for (i) gas commodity pricing, (ii) load balancing, and (iii) cost allocation between supply and delivery functions, in relation to regulated gas supply.

DEML will not be requesting a cost award for participating in this process.

We thank the Board for this opportunity to participate and look forward to providing Direct Energy's input on this important issue.

Yours faithfully
