Attn: Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: EB-2014-0289 – Natural Gas Market Review – SEC Cost Claim

We are counsel for the School Energy Coalition. We enclose the cost claim of the School Energy Coalition, on the Board's form and enclosing docket details.

As is often the case in this subject area, SEC limited its involvement and relied on other intervenors with greater expertise. This was particularly important with the submissions. While we reviewed the written material in the consultation, and the submissions of other parties, to ensure that we were aware of the issues that affect schools, we limited our own submissions to support for the extensive analysis by CME. With this targeted approach, we were able to keep the cost of our involvement much lower.

All of which is respectfully submitted.

Yours very truly,
JAY SHEPHERD P. C.

Jay Shepherd
