REQUEST FOR EXTENSION

Dear Ms. Walli:

EB-2015-0026 – B2M Limited Partnership Cost of Service Application

We are in receipt of the Board’s Letter of Direction, dated April 28, 2015, instructing B2M Limited Partnership (“B2M”) to execute notice by Friday May 1, and to inform the Board Secretary immediately if B2M is unable to comply within the stated timeframe.

B2M respectfully requests an extension to the deadline specified in the Letter of Direction.

The unusually short time frame provided for execution is compounded by the fact that the Board’s RRR annual filing is also due this week. Significant effort is associated with completing this file in accordance with the Board’s updated RRR Filing Guidelines, and our staff who might otherwise execute the notice are fully engaged in delivering that large submission in a timely and accurate manner.

We believe that the proper execution of Notice is a critical step in the Application process, to ensure that interested parties are fully informed and notified of proposed changes by licensees. With certainty, we can accurately and confidently execute upon the notice as prescribed by end of day, Friday, May 8 and we will make best efforts to complete it before that time.

Sincerely,
