Dear Ms: Reece:

**Re: Festival Hydro Inc.
Application for Rates
Board File Number EB-2014-0073**

The Board has today issued a corrected version of the Decision and Order which is attached.

The correction can be found on page 19 of the Decision and Order, under the section titled Cost Awards. The original decision stated that cost claims and responses shall be filed "from the date of this Decision and Order". The decision has been corrected to order cost claims and responses "from the date of issuance of Festival's final Rate Order".

Pursuant to its powers under Rule 43.02 of the Board's Rules of Practice and Procedure, the Board may at any time, without notice or a hearing of any kind, correct a typographical error, error of calculation or similar error made in its orders or decisions. The Board considers this error to be typographical. This revised Decision and Order replaces the Decision and Order issued by the Board on April 30, 2015. The Decision is not otherwise changed in any way.

Yours truly,
