Dear Ms. Walli:

Board File No. EB-2014-0101
Oshawa PUC Networks Inc. --- 2015-2019 Rates
Request by Applicant for Extension of Time to File Interrogatory Responses

Energy Probe Research Foundation (Energy Probe) does not wish to object to the Applicant's request for an extension of time to file interrogatory responses. Energy Probe does object to the date of May 18th for parties to present the areas they wish to explore at the Technical Conference.

May 18th is a civic holiday. Further, the Technical Conference set for May 20th currently overlaps the second day of the Settlement Conference with North Bay in the EB-2014-0099 proceeding.

Energy Probe suggests May 19th for parties to present the areas they wish to explore at the Technical Conference and that the Conference be postponed until May 21st which is already scheduled as Day Two; based on past indicators, one day should be sufficient.

Should you require additional information, please do not hesitate to contact me.

Yours truly,

David S. MacIntosh
Case Manager
