Dear Ms. Walli:

Re: EB-2014-0101: Oshawa PUC Networks Inc. (OPUCN) 2015-2019 Rates.

Request for Extension of Time to File Interrogatory Reponses.

Further to our letter dated yesterday, and Energy Probe's letter in response also dated yesterday, we apologize to the Board and parties for failing to recognize that Monday, May 18th is Victoria Day. In light of this, Energy Probe has suggested that the date by which parties are to indicate the topic areas in respect of which they intend to ask questions at a technical conference (if there is to be one) be Tuesday, May 19th. OPUCN agrees with this suggestion.

In light of this revised date, and a conflict with another OEB matter in which Energy Probe is engaged, Energy Probe has further suggested that the technical conference, if there is to be one, be scheduled for May 21st (currently the tentative second day for a technical conference). OPUCN agrees with this suggestion as well.

Yours truly,

Ian A. Mondrow
