Attn: Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: EB-2014-0101 – Oshawa PUC Networks – SEC Scheduling Request

We are counsel for the School Energy Coalition (“SEC”). SEC writes to address two scheduling issues.

1. Pursuant to Procedural Order No. 1, the Board has scheduled a settlement conference to take place between June 1st and 2nd. The undersigned, who has primary carriage of this matter for SEC, has an out of town personal matter to attend to on June 1st that cannot be rescheduled. SEC requests that the schedule be amended, by postponing the settlement conference by one day, so as to take place between June 2nd and 3rd. SEC has spoken to the Applicant and all intervenors, and no party objects to this proposed schedule change.
2. SEC has reviewed letters from the Applicant and Energy Probe regarding the requested delay in filing interrogatory responses, and a subsequent change in the schedule for the technical conference. SEC does not object to the delay in the filing of the interrogatory responses, and supports the change in the schedule for the technical conference so as to avoid a conflict with the settlement conference in EB-2014-0099.

Yours very truly,
JAY SHEPHERD P. C.
