Re: EB-2015-0129

Dear Ms. Walli:

I am writing this in reply to Mr. Brett's correspondence on behalf of Suncor, titled *Suncor\_correspondence\_20150427*. Mr. Brett argues that a public hearing is unmerited and unnecessary.

The OEB has already announced that it will be holding a public hearing. We agree that this request requires that action and we rely on the OEB to maintain its position.

We are well aware that the “no harm” test the OEB will be applying considers the effects of the transaction, not reasons for it or any preceding processes.

We look forward to participating in the public hearing.

Sincerely,
