**Re: Hydro One Inc. / Woodstock Hydro Services Inc.  
OEB File Number EB-2014-0213**

The OEB has received your letter of May 5, 2015 wherein you request that Hydro One's empaneled witnesses be excused in order to allow the witnesses to dialogue with counsel as part of their preparations for the continuation of the oral hearing on May 27<sup>th</sup>, 2015.

In support of your request, you note that due to the unanticipated time required for the determination of the School Energy Coalition's interlocutory motion, Hydro One's witnesses are no longer in a position to continue their testimony without first being afforded time to prepare with the aid of counsel.

The OEB grants your request to communicate with and prepare your witnesses. It is the expectation of the OEB that all counsel representing applicants before the Board will adhere to their professional obligations as it relates to witness preparation.

Yours truly,
