Dear customer:

EB-2015-0130 – Veridian Connections Inc. and Hydro One Networks Inc. Application for Service Area Licence Amendment and Sale of Distribution Assets - Notice of Application

You are receiving a copy of the attached Notice of Application either because you are a directly affected property owner or because you are the representative of a person, group or agency for which Hydro One Networks Inc. ("HONI") has been directed by the Ontario Energy Board ("OEB") to send this Notice.

In accordance with the OEB's Letter of Direction dated April 10, 2015, I am hereby enclosing a copy of the OEB Notice, as well as a letter containing some information on how this application may affect you. The application in its entirety, including all pre-filed evidence, can be retrieved from the following link:

YOUR ELECTRICITY DISTRIBUTOR MAY BE CHANGING

Dear customer:

Your electricity distributor, Hydro One Networks Inc. (Hydro One), filed a joint application with Veridian Connections Inc. ("Veridian") to the Ontario Energy Board requesting a change to their electricity distribution service areas. If the application is approved, you will become a customer of Veridian. You are not required to take any action in response to this letter but you may wish to let the Ontario Energy Board know of any concerns you may have about the application.

As you know, you are currently a customer of Hydro One and charged Hydro One's rates for electricity distribution services. However, you may not know that your electricity is physically supplied by Veridian. You are within Hydro One's service area but are actually served electricity by Veridian. This arrangement is known as a long term load transfer.

The Ontario Energy Board requires geographic electricity distributors (in your case, Hydro One) to eliminate long term load transfer arrangements. One option available to distributors to meet this requirement is to permanently transfer the load transfer customers to the electricity distributor that physically supplies them (in your case, Veridian).

To eliminate the load transfer arrangements, both distributors filed a joint application with the Ontario Energy Board for an order approving changes to their distribution service areas in order to include you in Veridian's service area. If the Board approves the application, you will become a customer of Veridian; you will be supplied and served by Veridian and will be charged Veridian's distribution rates which are lower than Hydro One's distribution rates.

An official Notice of Application was issued by the Board, a copy of which is attached to this letter. The Notice contains information about how to participate in the proceeding associated with the application.

If you have any questions about this letter, please call Erin Henderson at Hydro One at 416-345-4479.
