Dear Mr. Pickernell:

**Re: Pembina Infrastructure and Logistics LP ("Pembina")
Pembina's Responses to Interrogatories – Appendix A to Interrogatory Response #4
Board File No.: EB-2015-0032**

In our Responses to Interrogatories received from the Ontario Energy Board ("OEB"), filed on today pursuant to the Oil, Gas and Salt Resources Act, R.S.O. 1990, c P.12, Pembina mentions an Appendix A to Interrogatory Response #4 received from the OEB, which contains correspondence to Enbridge Gas Distribution Inc. Accordingly, Pembina is writing to you today to request that in accordance with Rule 10 of the Ontario Energy Board's ("OEB") Rules of Practice and Procedure that redacted sections of this Appendix be treated as confidential. This Appendix has confidential and private information regarding individuals that should not be publically viewed or posted. Pembina has redacted all information which is considered confidential and has attached a redacted version of this Appendix for the OEB's e-public records. We trust the above clarification to be sufficient for the purposes of this filing.
