Dear Ms. Walli:

**Re: Hydro One Networks Inc.
EB-2013-0416 - 2015-2019 Custom Distribution Rate Application**

As you know, we are counsel to the Applicant, Hydro One Networks Inc. ("Hydro One") in the above-noted proceeding.

We are in receipt of letters dated April 1, 2015 to the Board from Rogers Communications Partnership ("Rogers"), Bragg Communications Inc. operating as "Eastlink" ("Eastlink"), Cogeco Cable Canada LP and Cogeco Data Services ("Cogeco"), Shaw Communications Inc. and Shaw Cablesystems Limited (each "Shaw") and Allstream Inc. ("Allstream") [collectively referred to as the "Cable parties"].

The Cable parties each urgently request that the Board grant it leave to bring a motion to review and vary the above decision of the Board dated March 12, 2015 relating to joint use rates.

Hydro One opposes the requests made by the Cable parties. Given the late nature of the requests and the upcoming holiday weekend, Hydro One will provide the Board with the reasons for its position by Tuesday, April 7, 2015.

We trust this is satisfactory. If there are any questions or concerns, please do not hesitate to contact me.

Yours very truly,

Anita M. Varjacic
