Dear Mr. Shepherd:

Re: Applications by Hydro One Inc. /Woodstock Hydro Services Inc.
Board File Number: EB-2014-0213

This will acknowledge receipt on May 21, 2015 of your letter which requests:

- a) confidential access to the White Paper; and
- b) Hydro One to have a witness present at the hearing on May 27, 2015 to speak to the impacts of the initial public offering (IPO) of Hydro One Inc. recently announced by the provincial government.

The OEB denies these requests for the following reasons. With respect to a), the OEB has already determined that it will not admit the White Paper. With respect to b) the OEB considers the matter of a future IPO to be out of scope with respect to the OEB's consideration of this transaction.

Yours truly,
