Dear Mr. Oster:

**Re: Illumination LP
Electricity Generation Licence EG-2013-0363**

On November 28, 2013, the OEB issued an electricity generation licence EG-2013-0363 to Illumination LP to own and operate Illumination Solar Park Generation Facility. The address of the facility currently included in Schedule 1 of the licence is 2580 and 2670 Regional Road 19, Scugog, Ontario.

By correspondence dated May 15, 2015, Illumination LP requested to amend the address of the facility currently listed in Schedule 1 of the licence to the following:
2630 Regional Road 19, Scugog, Ontario.

The Board has amended the address of the facility in Schedule 1 of the electricity generation licence EG-2013-0363 in accordance with your written request dated May 15, 2015, and the amended Schedule 1 is attached to this letter.

If you have any questions, please direct them to Irina Kuznetsova, Advisor, at 416-440-8138 or by e-mail irina.kuznetsova@ontarioenergyboard.ca.
