Dear Ms. Walli:

**Re: EB-2015-0041  
Panhandle 2015 Replacement Project**

Union has reviewed Board Staff's submissions regarding the construction of the proposed pipeline. Union acknowledges Board Staff's support for the application, and agrees that no concerns have been raised regarding the project.

Union can also accept the proposed Conditions of Approval. Union agrees with Board Staff that the list of items that Union attached to its response to Board Staff Interrogatory 5 should not be attached to the Conditions of Approval. Union provided this list as examples of triggers where notification to the Board would be required.

Sincerely,
