Dear Ms. Walli:

**Re: Rate Design for Electricity Commercial and Industrial Customers EB-2015-0043**

The Electricity Distributors Association (EDA) is interested in participating in the consultation on the Rate Design for Electricity Commercial and Industrial customers. The EDA looks forward to working with the OEB on the next steps in redesigning rates to better prepare for the future.

Please direct all questions about the EDA's participation in this consultation to Maurice Tucci, Director, Regulatory Affairs and Technical Policy at [mtucci@eda-on.ca](mailto:mtucci@eda-on.ca) or 905-265- 5336.

Sincerely,

John Loucks  
Executive Vice President
