Dear Mr. Pickernell:

**Re: Pembina Infrastructure and Logistics LP ("Pembina")  
Ministry of Natural Resources and Forestry Information Request Response  
Board File No.: EB-2015-0032**

In the Ministry of Natural Resources and Forestry's ("MNR") Information Request ("IR") filed with the Ontario Energy Board on Monday, May 25, 2015, the MNR has requested that the OEB direct Pembina to "provide fuller answers". Accordingly, Pembina has proactively begun the process to thoroughly respond to the MNR's IR. As Pembina's response is dependent on some third parties, Pembina requires time to discuss the IR in greater detail and anticipates being in a position to formally respond to the IR by close of business **Friday, June 5, 2015**.

Pembina is committed to maintaining a positive relationship with the MNR through direct and transparent communication. As part of our ongoing commitment to this engagement, Pembina will follow-up with the MNR to ensure this request is addressed and mitigated where appropriate in the coming weeks.
