## LETTER OF COMMENT

### Comments:

To whom it may concern

I just wrote a note, but failed to mention my hydro is all ready too high, paying. 90-155 a month Oma fixed income due to an injury caused by a needless. Tester ,regardless I read that you put out an online paper and any people agreed to your increase, what a joke, did you send it to the city workers. Or to the states , here in Ontario enough of the increases , we need to live too, we already do without heat , poll ontario , you will see the answer is no to Increase.
