**Re: Request to Participate - Consultation for the Rate Design for Electricity  
Commercial and Industrial Customers, Board File Number: EB-2015-0043**

Dear Ms. Walli:

The Ontario Energy Board ("OEB") issued a letter on May 28, 2015 to all interested parties indicating its intention to initiate a consultation process for the Rate Design for Electricity Commercial and Industrial Customers and inviting participation in the proceeding.

As you are aware, CHEC is an association of fifteen (15) local distribution companies (LDC's) that have been working collaboratively since 2000. CHEC hereby notifies the OEB of their intent to participate in this consultative process. CHEC will not be seeking an award of costs in this matter.

Please address all correspondence related to this consultation process to:
