Attention: Board Secretary

Dear Ms. Walli:

**Re: EB-2014-0355 – Status Update and Notice of Withdrawal**

---

We are Counsel to Suncor Energy Products Inc. ("Suncor") in EB-2014-0355 ("Application").

Further to Order 1 of Procedural Order No. 4 in this matter dated June 5, 2015, we write to provide a status update about whether or not there remains a disagreement respecting the location of Suncor's facilities within the road allowances owned by the Corporation of the County of Lambton ("County").

On June 3, 2015, Council of the Corporation of the County of Lambton approved a Road Use Agreement ("RUA") between the County and Cedar Point II Limited Partnership ("CP II LP"). The RUA specifies the locations where the distribution system at issue will be installed in streets and highways owned by the County, in the Approved Road Use Plans attached as Schedule "B" to the RUA and as further detailed throughout the RUA.

As a result of County Council's approval of the RUA on June 3, 2015, the County has agreed to the locations of the distribution system within the County's road allowances, as set out in the RUA. As such, there is no longer a disagreement and Suncor requests that application EB-2014-0355 be withdrawn pursuant to 20.01(a).

We request that the Board accept this letter as Suncor's notice of withdrawal of this application, EB-2014-0355.

Yours truly,

**FOGLER, RUBINOFF LLP**
