Parties to EB-2014-0099

**Re: North Bay Hydro Distribution Ltd. ("North Bay Hydro")
2015 Cost of Service Rate Application**

The Board is in receipt of a letter from North Bay Hydro requesting an extension of the due date of June 15, 2015 for the filing of the Settlement Proposal that was granted in a letter from the Board, dated June 5, 2015.

North Bay Hydro indicated that parties were making progress towards reaching a final settlement however, some issues remained outstanding that required additional time to address. North Bay Hydro believes that a one week extension will provide sufficient time to resolve those issues and has requested an extension to June 22, 2015.

The Board grants the extension requested by North Bay Hydro for the filing of the Settlement Proposal.

Yours truly,
