Ontario Energy Board
COST CLAIM FOR CONSULTATIONS

Affidavit and Summary of Fees and Disbursements

This form should be used by a party (defined in the Practice Direction on Cost Awards as including a participant in a consultation process) in a consultation before the Board to identify the fees and disbursements that form the party's cost claim. Paper and electronic copies of this form and itemized receipts must be filed with the Board and served on one or more other parties as directed by the Board in the applicable Board Notice of Hearing for Cost Awards. Please ensure all required fields are filled in and the Affidavit portion is signed and sworn or affirmed.

Instructions

- Required data input is indicated by yellow-shaded fields. Formulas are present in the document to assist with the calculation of the cost claim.
- All claims must be in Canadian dollars. If applicable, state exchange rate and country of initial currency.
Rate: _____ Country: _____
- A separate "Statement of Disbursements Being Claimed" is required for each consultant or lawyer/articling student/paralegal. However only one "Statement of Fees Being Claimed" and one "Summary of Fees and Disbursements Being Claimed" covering the whole of the party's cost claim should be provided.
- The cost claim must be supported by a completed Affidavit signed by a representative of the party.
- A CV for each consultant must be attached unless, for a given consultant, a CV has been provided to the Board in another process within the last 24 months.
- Except as provided in section 7.03 of the Practice Direction on Cost Awards, itemized receipts must be provided.

Affidavit

I, Michael Risavy, of the City/Town of Toronto
in the Province/State of Ontario, swear or affirm that:

1. I am a representative of the above-noted party (the "Party") and as such have knowledge of the matters attested to herein.
2. I have examined all of the documentation in support of this cost claim, including the attached "Summary of Fees and Disbursements Being Claimed", "Statement of Fees Being Claimed" and "Statement(s) of Disbursements Being Claimed".
3. The attached "Summary of Fees and Disbursements Being Claimed", "Statement of Fees Being Claimed" and "Statement(s) of Disbursements Being Claimed" include only costs incurred and time spent directly for the purposes of the Party's participation in the Ontario Energy Board process referred to above.
4. This cost claim does not include any costs for work done, or time spent, by a person that is an employee or officer of the Party as described in sections 6.05 and 6.09 of the Board's Practice Direction on Cost Awards.

MIKE RISAVY
Consultant
Aegent Energy Advisors Inc.

SUMMARY

Mike holds a Bachelor of Applied Science degree in Electrical Engineering, with a minor in Management and Entrepreneurship, and a Bachelor of Science degree in Computing Technology. Mike has completed professional development or post-graduate courses in project management, financial analysis, negotiation tactics, combined cycle power plant fundamentals, and electricity market mechanics.

Mike is primarily responsible for client services for natural gas and electricity procurement, advising clients on the operational characteristics, regulatory framework, and economics of load displacement generation projects, and providing energy data and analysis solutions. Prior to rejoining Aegent, Mike worked in the Electricity Resources and Power System Planning divisions at the Ontario Power Authority (OPA). Mike provided the OPA with analytical and strategic support for negotiating electricity supply contracts for natural gas fired power plants, assessed the ratepayer impact and power system benefits associated with behind-the-meter generation, and forecasted electricity supply, demand, and pricing for long term integrated planning.

PROFESSIONAL EXPERIENCE

2012 - Present	Aegent Energy Advisors Inc. Consultant
2010 - 2012	Ontario Power Authority Business Analyst, Clean Energy Procurement Planning Analyst, Resource Integration
2009 - 2010	Aegent Energy Advisors Inc. Settlement Analyst

BRUCE SHARP, P. Eng., CIGC
Director, Electricity
Aegent Energy Advisors Inc.

SUMMARY

Bruce is Aegent's Director of Electricity. Bruce holds a Bachelor of Applied Science degree in Mechanical Engineering from the University of Waterloo and has over 25 years experience in the energy business. Bruce is a professional engineer (Ontario) and a Chartered Industrial Gas Consultant.

Prior to joining Aegent, and as principal of his own company, Bruce provided independent advice to medium- and large-volume consumers of electricity and to small generators, on purchasing power and operating in the new Ontario market. As Manager, Power Products and Services with Engage Energy, he was provided electricity advisory services to a range of clients. Bruce's professional experience also includes work at Ontario Hydro as an industrial energy advisor and at The Consumers' Gas Company Limited working with industrial and commercial customers.

Bruce has been a repeat speaker at industry conferences on the topic of practical power procurement strategies, and copies of these presentations are available on Aegent's web site. Bruce has been widely quoted in the press for his insightful analysis of the economic implications of government energy policy decisions, and provided expert witness testimony on energy cost issues as an intervenor witness in Ontario Energy Board proceedings involving Ontario Power Generation and Hydro One rate cases and the Renewed Regulatory Framework for Electricity consultation.
