Dear Mr. Simpson

**Re: Hydro Ottawa
Application for 2016 – 2020 Distribution Rates
Ontario Energy Board File Number: EB-2015-0004**

The Ontario Energy Board (OEB) issued Procedural Order No. 1 on June 12, 2015 in which it ordered that interested parties, the applicant, and the OEB, including staff, would convene on June 23, 2015 in the OEB's offices for Hydro Ottawa to present its application and to answer questions of clarification. The OEB has decided to hold the presentation day in Ottawa. Consequently the presentation day to be held on June 23, 2015 is cancelled.

The OEB will announce a new date and location for the presentation day when the arrangements are finalized. The dates for subsequent steps in the process will be reviewed once details of the presentation day are finalized.

Yours truly,
