Dear Mr. Poch:

**Re: Union Gas Limited (Union) & Enbridge Gas Distribution Inc. (Enbridge)
2015-2020 DSM Plans
Board File Number: EB-2015-0029 / EB-2015-0049**

The OEB received Green Energy Coalition's (GEC) letter, dated June 10, 2015, regarding the scheduling constraints of GEC's expert witnesses.

As proposed by GEC, the OEB will ensure that Mr. Chernick's appearance at the technical conference takes place on August 17, 2015.

Regarding the scheduling constraints of Mr. Neme, the OEB will adopt the first option proposed by GEC. Mr. Neme will respond to interrogatories on his evidence by August 10, 2015 rather than August 12, 2015. Parties will submit written follow-up questions by August 12, 2015, and Mr. Neme will file written responses by August 17, 2015.

We hope that this arrangement addresses the scheduling constraints of the GEC's witnesses.

Yours Truly,
