**RE: EB-2014-0273 – Union Gas Limited – 2013 Disposition of Demand Side Management Deferral and Variance Accounts – Submission on Cost Claims**

Dear Ms. Walli,

Union Gas Limited (“Union”) received cost claims from the Association of Power Producers of Ontario (“APPrO”), Building Owners and Managers of Ontario (“BOMA”), Canadian Manufacturers & Exporters (“CME”), London Property Management Association (“LPMA”), and Ontario Greenhouse Vegetable Growers Association (“OGVG”) for the above noted proceeding.

Union has reviewed the cost claims submitted and with the exception of the cost claim by APPrO, has no specific concerns. Union’s concern with the APPrO claim relates to the overall magnitude of the hours claimed for participation in relation to other intervenors. APPrO’s total hours claimed equals the total hours claimed by the other four parties combined.

Yours truly,
