**Updated Exhibit List and Expert Affidavits, Form As and CVs.**

---

As the Hearing Panel in the captioned proceeding is aware, Board Staff and the intervenors have now indicated that they do not have further questions for the various third party consultants from whom OPUCN commissioned reports in support of its application, save for Ernst & Young.

Mr. Chris Stepanuik of Ernst & Young will be appearing at the oral hearing on the afternoon of Tuesday, June 30<sup>th</sup> to answer questions regarding the lead/lag study prepared under his direction. In advance of Mr. Stepanuik's appearance, we are filing his CV and a Form A signed by him. This material has been given an exhibit number in accord with the exhibit numbering for the OPUCN evidence, and will be adopted by Mr. Stepanuik when he is empanelled.

We are also filing an updated Exhibit List. The Exhibit List has been amended to include these materials to be adopted by Mr. Stepanuik, as well as affidavits that we are in the process of obtaining from the other third party consultants who will not be appearing at the hearing. These affidavits will serve as the means through which these other third party consultants adopt their respective reports as evidence. The affidavits will include Form As and CVs as attachments.

We trust that this is of assistance to the Board.

Yours truly,

Ian A. Mondrow
