Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
PO Box 2319
2300 Yonge Street, 27th floor
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: Toronto Hydro-Electric System Limited (“Toronto Hydro”)
Application for the True-Up of Approved Incremental Capital Module
(the “ICM True-Up Application”)
OEB No. EB-2015-0173**

Toronto Hydro writes the Ontario Energy Board (“OEB”) in respect of the above-noted matter.

While Toronto Hydro is working diligently on its ICM True-Up Application, its materials are not yet ready. Toronto Hydro observes that, in any event, it may be most helpful to the OEB and parties to file the Application materials after the OEB has released its decision on Toronto Hydro's Custom Incentive Rate-Setting (“CIR”) application (EB-2014-0116), so Toronto Hydro may ensure alignment with any relevant direction and findings in the CIR decision.

Please contact me if you have any questions.

Yours truly,
