Dear Ms. Walli:

Re: EB-2013-0421: Hydro One Networks' (Hydro One) Leave to Construct Supply to Essex County Transmission Reinforcement (SECTR) Project (Project).

Evidence of E3 Coalition.

Earlier this week we submitted evidence from E3 Coalition in this proceeding. In error, a signature line for counsel for E3 Coalition and the "gowlings" logo were added to that document, as if it were a submission rather than evidence. We apologize for any resulting confusion.

Filed with this letter is a version of the E3 Coalition evidence which is properly formatted (i.e. the signature line and the "gowlings" name in the footer have been deleted). We would ask the Board and interested parties to replace the previously-filed version of the evidence with this version.

Yours truly,

for: Ian A. Mondrow
