RE: EB-2015-0049 & 0029 Technical Conference

Dear Ms Walli,

Please see overleaf the topic areas where GEC expects at this point to seek responses or clarification on interrogatory replies. The time required is highly uncertain since some of the very technical questions may be deferred to Undertakings, and others may take significant discussion to resolve, but we currently estimate that 4 hours may be required.

Sincerely,

(Mr.) Kai Millyard
Case Manager for the
Green Energy Coalition
