Attention: Board Secretary

Dear Ms. Walli:

Subject: Allstream Inc. Support of Carriers' Request– Hydro Ottawa Limited Custom IR Application, Board File EB 2015-0004

1. Allstream Inc. (Allstream) has reviewed the letter dated 10 July 2015 submitted on behalf of Rogers Communications Partnership, TELUS Communications Company, and Quebecor Media (collectively, the Carriers). In their letter, the Carriers request directions from the Board regarding the submission of intervenor evidence in the above-noted proceeding.
2. Allstream supports the request of the Carriers for the reasons set out in the Carriers' 10 July 2015 letter. In particular, Allstream agrees that establishing the appropriate pole attachment rate will likely require evidence and submissions from intervenors such as Allstream and the Carriers.

Yours truly,

Pauline Jessome
Director, Regulatory Allstream
