**Re: Cost Awards Related to the Smart Grid Advisory Committee
OEB File No. EB-2013-0294**

On June 18, 2015, the OEB issued a Notice of Hearing for Cost Awards (the Notice) for participation in meetings of the Smart Grid Advisory Committee (the SGAC) and the related 'storage working group' held in 2014. As indicated in the Notice, the Association of Major Power Consumers in Ontario, although eligible for cost awards in relation to meetings of the SGAC, did not participate in any of the meetings. The Notice made provision for the filing of a cost claim by the Building Owners and Managers Association of the Greater Toronto Area (BOMA), which is eligible for cost awards in relation to both the SGAC and the 'storage working group'.

BOMA has confirmed that it does not intend to file a cost claim. Therefore, no costs will be awarded in relation to the SGAC or the 'storage working group' for meetings that took place in 2014.

Yours truly,
