Dear Sir/Madame,

Attached is Olameter Inc.'s *Sub-Metering Licence Application* for your consideration. Olameter Inc., is requesting an interim licence until a decision has been made on the attached application.

In a recent communication with the Ontario Energy Board, we were advised that our license ES-2009-0119 had expired. Although we continued to provide payment for the Annual Registration Fee, we unintentionally failed to submit our application to renew our licence. We have put measures in place to ensure that this does not happen in the future.

If you require any information or would like to discuss this further, please feel free to call me at 905-726-5451.

Best Regards,

Mae Reliszko  
V.P. Administration
