3. SEC intends to apply for recovery of its costs reasonably incurred in the course of its intervention in this matter. SEC has participated in many past natural gas and electricity proceedings in Ontario, including consultations, rate cases, and other processes and hearings, and has been found eligible to be paid its reasonably incurred costs in all of those proceedings.

**Issues to be Addressed**

4. SEC’s intended participation will focus on the following issues:

hearing of this matter, and in written or oral submissions, as well as any other parts of the process that the Board should order.

**Nature of Hearing Requested**

6. Until interrogatories have been answered, we believe it is premature to assess whether a written or an oral hearing is more appropriate in this proceeding.
